NOTES:

1. If you have a full team, please provide all the names of your teammates
2. Indicate your preference for golf and curling times. Options are:
 - a. Shotgun start at 9am and curling at 1pm or 3pm
 - b. Curling at 10am and afternoon golf starting at 1:30 (straight tee times)
3. We will do our best to accommodate your requested times
4. If the weather is such that it's impossible to play golf (ie, torrential downpour), a contingency plan will be implemented. Each team will play two 6-end games starting at 9am. I will send an email out Friday night before the event advising if golf is on or not. If golf is off, a new "curling only" schedule will be sent as well. So please check your email Friday night

Looking forward to seeing you on the links and at the rink!!
